Electronic Advertisement Material

General:

Data quantities <10 MB can be emailed to the recipient.

Data quantities >10 MB must be submitted via
www.wetransfer.com

We work in the PC environment using the following tools:
InDesign, Illustrator and Photoshop.

Fonts:

As a starting point, the used fonts are to be submitted;
they can be included in a PDF or vectored before
submission.

PDF:

PDF's are to be submitted in print quality 300 dpi.

TechMedia A/S is not liable for errors in the submitted
PDF material.

Advertisement Text:

Text for advertisements can be submitted in a Word docu-
ment or written in an email.

Photos:

Photos are to be submitted in print quality 300 dpi in TIFF
format (file name.tif) or J-PEG format (file name.jpg).

Photos submitted in lower than the requested quality can
be used, however TechMedia A/S cannot be held
responsible for the quality.

Photos from the internet are usually not of print quality.

Graphics and Logos:

As a starting point, graphics and logos are to be submit-
ted in Illustrator-EPS format (file name.eps) or –AI (file
name.ai). Alternatively, material can be submitted in PDF
format (file name.pdf), TIFF format (file name.tif) or J-PEG
format (file name.jpg).

Logos from the internet are usually not of print quality.

Contact:

We value good customer communications and are willing
to mentor and offer advice within our areas of expertise.
Should we on receipt of advertisement material have any
doubts or questions regarding the material or quality, we
always contact the customer.

For questions regarding advertising material in
Maskin Aktuelt, please contact Marianne Dieckmann,
tel: +45 43 24 26 82 or via e-mail: md@techmedia.dk

General Information

Editorial objective:

Maskin Aktuel is a trade journal dealing with people and firms in the iron, metal and engineering industries. The journal provides information on the products and services upon which production is based, as well as information on the political, politico-organisational, industrial and financial conditions of the trade.

10 good reasons for choosing Maskin Aktuel:

- 1 Maskin Aktuel is independent of associations and political interests.
- 2 Specified and up-dated target group consisting of decision makers in workshops and management.
- 3 Both big industry and small workshops subscribe to the magazine.
- 4 Well documented effect from advertisements.
- 5 Tangible and genuine information on development, tendencies and new products for the iron, metal and engineering industries.
- 6 Specific themes in every issue directed at specific target groups, well edited for quick orientation on the latest developments, as well as for in-depth information on applicable solutions for product enhancement.
- 7 Maskin Aktuel is a magazine with long-term value for the readership and consequently for advertisements as well.
- 8 Maskin Aktuel is full of direct and bona fide information – custom made for the industry.
- 9 The journal is targeted at professionals in iron, metal and engineering industries. Careful editing secures high level of comprehension.
- 10 Maskin Aktuel includes product news and directions on how to optimize the successive stages in production.
