## Advertisement Material

### General:

Data quantities <10 MB can be emailed to the recipient.

Data quantities >10 MB must be submitted via [www.wetransfer.com](http://www.wetransfer.com)

We work in the PC environment using Adobe Creative Cloud.

### Fonts:

As a starting point, the used fonts are to be submitted; they can be included in a PDF or vectored before submission.

### PDF:

PDF's are to be submitted in print quality 300 dpi.

TechMedia A/S is not liable for errors in the submitted PDF material.

### Photos:

Photos are to be submitted in print quality 300 dpi in TIFF format (file name.tif) or J-PEG format (file name.jpg).

Photos submitted in lower than the requested quality can be used, however TechMedia A/S cannot be held responsible for the quality.

Photos from the internet are usually not of print quality.

### Graphics and Logos:

As a starting point, graphics and logos are to be submitted in Illustrator-EPS format (file name.eps) or -AI (file name.ai). Alternatively, material can be submitted in PDF format (file name.pdf), TIFF format (file name.tif) or J-PEG format (file name.jpg).

Logos from the internet are usually not of print quality.

### Using web and email addresses in advertisements:

It is possible to have clickable web and email addresses in the ads in the digital issues of LevnedsmiddelBladet.

#### How to do it:

- Web and email addresses must be text only
- Space must be added between web and email addresses and other text
- Email addresses are to be written in full and include @
- Web addresses are to be written in full and include www.

TechMedia A/S cannot be held responsible for web-links not working correctly.

### Contact:

We value good customer communications and are willing to mentor and offer advice within our areas of expertise. Should we on receipt of advertisement material have any doubts or questions regarding the material or quality, we always contact the customer.

For questions regarding advertising in

LevnedsmiddelBladet, please contact Helle Hansen, tel: +45 43 24 26 71 or via email: [hh@techmedia.dk](mailto:hh@techmedia.dk)

# General Information

## Editorial objective:

Our goal is to give readers of the magazine concrete information about tendencies and events within the food industry. The magazines own journalists write about technology within the processing and packaging field, about consumer tendencies, about legal aspects, new research and marketing. Apart from the industrial topics and special features, each publication will contain a wealth of information, which makes LevnedsmiddelBladet a very important tool in the hands of the target groups.

## 10 good reasons for choosing LevnedsmiddelBladet:

- 1 LevnedsmiddelBladet provides practical information on trends and events in the food sector together with articles about new technologies, consumer trends, legislation, new research, and marketing.
- 2 Each issue of LevnedsmiddelBladet has a theme which gives the reader the latest knowledge on topical areas in the food industry.
- 3 In addition to the special topics each edition includes a wealth of information that makes LevnedsmiddelBladet an important tool for the food industry.
- 4 LevnedsmiddelBladet participates in several both national and international fairs and publishes information before and after the fairs.
- 5 LevnedsmiddelBladet puts on the critical glasses in relation to the economy among the largest food companies in Denmark.
- 6 External specialists contribute articles covering the entire spectrum.
- 7 LevnedsmiddelBladet describes in plain language the laws and legislations of interest for the food industry.
- 8 LevnedsmiddelBladet frequently publishes articles, describing new technologies and new products and product applications.
- 9 The magazine is aimed primarily at the CEO's in the Danish food industry, but covers a wide range of readers with interest in Denmark's largest export industry.
- 10 TechMedia A/S, one of the largest magazine publishers in the Region, publishes LevnedsmiddelBladet. A professional and committed staff guarantee a high quality of the magazine.
