Advertisement Material

General:

Data quantities <10 MB can be emailed to the recipient.
Data quantities >10 MB must be submitted via www.wetransfer.com.

We work in the PC environment using Adobe Creative Cloud.

Fonts:

As a starting point, the used fonts are to be submitted; they can be included in a PDF or vectored before submission.

PDF:

PDF's are to be submitted in print quality 300 dpi.
TechMedia A/S is not liable for errors in the submitted PDF material.

Photos:

Photos are to be submitted in print quality 300 dpi in TIFF format (file name.tif) or J-PEG format (file name.jpg). Photos submitted in lower than the requested quality can be used, however TechMedia A/S cannot be held responsible for the quality.

Photos from the internet are usually not of print quality.

Graphics and Logos:

As a starting point, graphics and logos are to be submitted in Illustrator-EPS format (file name.eps) or -AI (file name.ai). Alternatively, material can be submitted in PDF format (file name.pdf), TIFF format (file name.tif) or J-PEG format (file name.jpg).

Logos from the internet are usually not of print quality.

Using web and email addresses in advertisements:

It is possible to have clickable web and email addresses in the ads in the digital issues of the printed publication.

How to do it:

- Web and email addresses must be text only without effects of any kind
- Space must be added between web and/or email addresses and other text
- Email addresses are to be written in full and include @
- Web addresses are to be written in full and include www.
- Correctly inserted links are created and activated automatically and are therefore free of charge

TechMedia A/S disclaims responsibility for automatic links working correctly.

If an advertiser requires other types of links in advertisements, the handling fee is € 67 /each.

Contact:

We value good customer communications and are willing to mentor and offer advice within our areas of expertise. Should we on receipt of advertisement material have any doubts or questions regarding the material or quality, we always contact the customer:

For questions regarding advertising in HVAC magasinnet, please contact Helle Hansen, tel: +45 43 24 26 71 or via e-mail: hh@techmedia.dk
