Advertisement Material

General:

Data quantities <10 MB can be emailed to the recipient.
Data quantities >10 MB must be submitted via www.wetransfer.com.

We work in the PC environment using Adobe Creative Cloud.

Fonts:

As a starting point, the used fonts are to be submitted; they can be included in a PDF or vectored before submission.

PDF:

PDF's are to be submitted in print quality 300 dpi.
TechMedia A/S is not liable for errors in the submitted PDF material.

Photos:

Photos are to be submitted in print quality 300 dpi in TIFF format (file name.tif) or J-PEG format (file name.jpg). Photos submitted in lower than the requested quality can be used, however TechMedia A/S cannot be held responsible for the quality.

Photos from the internet are usually not of print quality.

Graphics and Logos:

As a starting point, graphics and logos are to be submitted in Illustrator-EPS format (file name.eps) or -AI (file name.ai). Alternatively, material can be submitted in PDF format (file name.pdf), TIFF format (file name.tif) or J-PEG format (file name.jpg).

Logos from the internet are usually not of print quality.

Using web and email addresses in advertisements:

It is possible to have clickable web and email addresses in the ads in the digital issues of the printed publication.

How to do it:

- Web and email addresses must be text only without effects of any kind
- Space must be added between web and/or email addresses and other text
- Email addresses are to be written in full and include @
- Web addresses are to be written in full and include www.
- Correctly inserted links are created and activated automatically and are therefore free of charge

TechMedia A/S disclaims responsibility for automatic links working correctly.

If an advertiser requires other types of links in advertisements, the handling fee is € 67 /each.

Contact:

We value good customer communications and are willing to mentor and offer advice within our areas of expertise. Should we on receipt of advertisement material have any doubts or questions regarding the material or quality, we always contact the customer:

For questions regarding advertising in Træ & Møbelindustri, please contact Trine Plass, tel: +45 43 24 26 12 or via e-mail: tp@techmedia.dk

General Information

Editorial objective:

To

- provide competent, timely and useful knowledge for the entire wood- and furniture industries with a focus on people, machinery and materials.
- promote the use of wood materials.
- promote the use of new technology in the timber industry.
- promote function and design in industrial product.
- create understanding of the wood industry's interests and views.

The magazine want to provide the professional knowledge required for the prosperity, profits and competitiveness in the wood industry.

10 good reasons for choosing "Træ- & Møbelindustri":

- 1** Træ- & Møbelindustri is Denmark's leading trade magazine.
- 2** Træ- & Møbelindustri is an independent trade magazine.
- 3** Specific and up-dated targetgroups comprising both white and blue collar decision makers.
- 4** Subscribers from marketleading companies in the furniture industry as well as smallish artisans of the trade.
- 5** Træ- & Møbelindustri is considered the most important source of information concerning new products for the furniture and woodmaking industries.
- 6** Træ- & Møbelindustri brings tangible and well documented information on development and trends relevant to the industry.
- 7** Træ- & Møbelindustri is a well-arranged magazine of good printing quality.
- 8** Every edition carries themes directed at specific groupings of the readership. These are illustrated through both brief product news references and in-depth articles describing methods aimed at enhancing production.
- 9** Træ- & Møbelindustri brings only articles with relevance to the branch.
- 10** Træ- & Møbelindustri has a long durability due to the quality of the articles making it an ideal media for advertising.
