## ELEKTRONIKF@KUS... - it is crucial which professional media you choose:

ElektronikFOKUS is market leader and Denmark's largest dedicated digital publication aimed at the electronics industry.

The highly competent editorials of ElektronikFOKUS will ensure you a high level of seriousness and relevance of all published contents. Our primary task is to feed the professional electronic industry with business relevant, international news, technical articles, analyses, product releases and general info about companies and people.

Editorial focus is within: Production, design, development, embedded, IoT, cyber security, automation and robots, testing and measuring etc. The vast majority of readers are electronics engineers and technicians.

This ensures you - as a FOKUSpartner - that you will get all your posts and editorial contributions presented in the most respected media of the industry.

ElektronikFOKUS is operated and published by the people behind Current Electronics.
