ELEKTRONIKFOKUS – it is crucial which professional media you choose:

The highly competent editorials of ElektronikFOKUS and Aktuel Elektronik will ensure you a high level of seriousness and relevance of all published contents.

Our primary task is to feed the professional electronic industry with business relevant, international news, technical articles, analyses, product releases and general info about companies and people.

ElektronikFOKUS is the new version of the former Elektronik-online.dk with a wider coverage, however, still with the well-known integrity and professionalism.

Aktuel Elektronik is a market leader in Denmark as being the largest publication aimed at the electronic industry. All this ensures you - as a FOKUSpartner - that you will get all your posts and editorial contributions presented in the most respected medium of the industry.

Banner advertising

You additionally will get the possibility of advertising on www.elektronikfokus.dk or in the ElektronikFOKUS newsletter.

Banner advertising on these platforms is open to all, but as a FOKUSpartner you will get increased visibility by combining your partnership with advertising.
