As a FOKUSpartner on KEMIFOKUS you get:

- ✕ A professional and relevant channel for distributing own news and press releases.
- ✕ A high degree of visibility.
- ✕ An important tool in your strategic marketing.
- ✕ Possibility of getting in contact with the readers via the newsletter.
- ✕ Press releases or news can be supplied through the relevant professional channels - when you wish!
- ✕ Possibility of searching for new qualified employees.
- ✕ Access to upload brochures and whitepapers.
- ✕ In general: An easy and user friendly tool that does not steal your time!

Join us as a FOKUSpartner:

A good relationship with the press can be very beneficial. A dedicated inclusion of professional media in your external communication strategy gives you a number of benefits:

You will be able to:

- Share relevant knowledge
- Inform clients and the public about employee changes and company news in general
- Distribute product information
- Communicate company policies

...Possibilities are endless!

The combination of PR and advertising is – without comparison – the best way to influence the market.

Also brochures and whitepapers:

To companies in technical businesses clear and precise product information is of vital importance. As a FOKUSpartner you will be able to upload information as brochures and whitepapers to the website.

We have made it easy for you to publish your news:

As a FOKUSpartner you will get direct access to upload all of your news information on www.kemifokus.dk.

ONLY 7300 DKK (€ 980) per year ex. VAT.

KEMIFOKUS – the digital platform of Dansk Kemi

The digital media KemiFOKUS is updated constantly with news from the chemical industry. Articles and posts act as links between the printed version of Dansk Kemi and the magazine's facebook platform - UNGKEMI. Here you can follow relevant right-here-right-now subjects in the business: latest in names, funding of research, new laws/regulations, conferences, business summits etc.

As FOKUSpartner you are given the unique opportunity to present your editorial posts in combination with important information to the chemical industry: professional events, meetings, conferences but also general articles and product news.

The site covers subjects inside bio-tech, food, chemistry, pharmacy, environment and related industries.

Banner advertising

You additionally will get possibility of advertising on www.kemifokus.dk or in the KemiFOKUS newsletter.

Banner advertising on these platforms is open to all, but as a FOKUSpartner you will get increased visibility by combining your partnership with advertising.
