KEMIFOKUS – the digital platform of Dansk Kemi

The digital media KemiFOKUS is updated constantly with news from the chemical industry. Articles and posts act as links between the printed version of Dansk Kemi and the magazine's facebook platform - UNGKEMI. Here you can follow relevant right-here-right-now subjects in the business: latest in names, funding of research, new laws/regulations, conferences, business summits etc.

As FOKUSpartner you are given the unique opportunity to present your editorial posts in combination with important information to the chemical industry: professional events, meetings, conferences but also general articles and product news.

The site covers subjects inside bio-tech, food, chemistry, pharmacy, environment and related industries.

Banner advertising

You additionally will get possibility of advertising on www.kemifokus.dk or in the KemiFOKUS newsletter.
