TechMedia 

As a FOKUSpartner on **TEKNISKFOKUS.dk** you get:

- ✕ A professional and relevant channel for distributing own news and press releases.
- ✕ A high degree of visibility.
- ✕ An important tool in your strategic marketing.
- ✕ Possibility of getting in contact with the readers via the newsletter.
- ✕ Press releases or news can be supplied through the relevant professional channels - when you wish!
- ✕ Possibility of searching for new qualified employees.
- ✕ Access to upload brochures and whitepapers.
- ✕ In general: An easy and user friendly tool that does not steal your time!

Join us as a FOKUSpartner:

A good relationship with the press can be very beneficial. A dedicated inclusion of professional media in your external communication strategy gives you a number of benefits:

You will be able to:

- Share relevant knowledge
- Inform clients and the public about employee changes and company news in general
- Distribute product information
- Communicate company policies

...Possibilities are endless!

The combination of PR and advertising is – without comparison – the best way to influence the market.

Also brochures and whitepapers:

To companies in technical businesses clear and precise product information is of vital importance.

As a FOKUSpartner you will be able to upload information as brochures and whitepapers to the website.

We have made it easy for you to publish your news:

As a FOKUSpartner you will get direct access to upload all of your news information on www.tekniskfokus.dk.

ONLY 6000 DKK per year ex. VAT.

Call Jesper Bækmark for further information: tel. +45 43 24 26 77

TEKNISKFOKUS.dk is a digital platform for the magazine **Teknisk Nyt**

TekniskFOKUS is a digital platform for the magazine Teknisk Nyt.

Just as the magazine, TekniskFOKUS addresses engineers, machine builders and technicians within the Danish machine and process industry. The primary focus is on automation, production and process optimization.

TekniskFOCUS offers a relevant overview of news and events within the process and machine industries.

The platform is supported by a weekly newsletter, which summarizes the main news.

Banner advertising

You additionally will get possibility of advertising on www.tekniskfokus.dk or in the TekniskFOKUS newsletter.

Banner advertising on these platforms is open to all, but as a FOKUSpartner you will get increased visibility by combining your partnership with advertising.

On the website www.tekniskfokus.dk:

Type*	Size W × H (px)	Price per month €	Max. file size: Non animated/Static	Max. file size: Animated**
Top banner	1140 × 140	1.164	200 KB	200 KB
Front banner	300 × 250	698	100 KB	100 KB
Category banner	300 × 250	349	100 KB	100 KB
Article banner	728 × 120	724	100 KB	100 KB

*Banner advertising on the website is supported by the following formats in 72dpi: JPG, GIF and PNG.

HTML5 with clickTag and javascripts from third-party suppliers. We do not offer support on HTML5 and javascripts.

We use Google Ad Manager.

** Animated banners can have a max. length of 15 sec.

All banners (with equal sizes) on the website main page are rotated mutually with each other.

All banners (with equal sizes) on the website category pages within the same category are rotated mutually with each other.

The topbanner position can be shared by a maximum of four advertisers.

In the newsletter from **TEKNISKFOKUS**.dk:

TESTCENTER GODKENDT TIL TEST AF AMMONIAK SOM SKIBSBRÆNDSTOF

Alfa Laval's verdensførende testcenter i Aalborg er som det første sted i Danmark blevet godkendt til test med ammoniak som brændstof i søfarten. Tilladelsen betyder, at Alfa Laval nu udvider sit testcenter og er samtidig en vigtig milepæl i et igangværende EUDP-projekt, der forsøger at accelerere [...]
